Section 1 – Introduction

This directory provides a list of Clover Health's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC). A Clover Preferred Doctor, marked by CLOVER PREFERRED, is a Primary Care Physician who has been recognized for their dedication to using the Clover Assistant tool which provides technology and data for a personalized healthcare experience for Clover Health members.

You may choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you should get your health care services from your PCP.

A Primary Care Provider (PCP) is someone that you see for all of your basic medical needs such as preventative care, illness, and injury visits. While our plan doesn't require you to select a PCP, we strongly encourage you to do so as there are many benefits to having one. A PCP will often assist you with referrals to specialists and behavioral health care providers. A PCP can also coordinate access to hospital services when necessary. When prior authorization for a service is needed, your PCP will contact us before you have services to determine if they will be covered.

The "network providers" listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Out-of-network/non-contracted providers are under no obligation to treat Clover Health members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service authorization determination before you receive the service. Please call our member services number at 1-888-778-1478. TTY users should call 711. We are open 8am-8pm, local time, 7 days a week. From April 1st through September 30th, alternate technologies (for example, voicemail) will be used on the weekends and holidays, or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

Non-contracted providers should bill Clover Health directly. If a non-contracted provider submits a bill directly to you, you should not pay the bill, but should submit it to the plan for processing and determination of your liability, if any, as described below.

If you receive a bill from a non-contracted provider, send us your request for payment, along with your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, please fill out our claim form to make your request for payment. Either download a copy of the form from our website (https://www.cloverhealth.com/en/members/plan-documents) or call Member Services and ask for the form.

Mail your request for payment for medical services, together with any bills or receipts to us at this address:

Clover Health
Attn: Medical Claims
PO Box 2092
Jersey City, NJ 07303

You must submit your claim to us within 12 months of the date you received the service or item.

Mail your completed reimbursement form for out-of-network covered dental services, together with a copy of your Clover Member ID card, and any bills or receipts to us at this address:

DentaQuest Claims
PO Box 433
Milwaukee, WI 53201-0433

Fax: 1-888-696-9552

You must submit your reimbursement request within 12 months of the date you received the service. You can expect to receive reimbursement within 30 days after DentaQuest has received your completed form and receipts. Questions? Please call DentaQuest at 1-800-341-5525.

Mail your request for reimbursement for your out-of-network routine eye exam and/or eyewear, together with a copy of your Clover Member ID card and any bills or receipts, to us at this address:

EyeQuest
PO Box 2906
Milwaukee, WI 53201-2906

Fax: 1-888-696-9552

You can expect to receive reimbursement within 30 days after EyeQuest has received your receipts. Questions? Please call EyeQuest at 1-800-341-5525.

Mail your request for reimbursement for the prescription(s), together with any bills or receipts to us at this address:

CVS Caremark
PO Box 52066
Phoenix, AZ 85072-2066

You must submit your prescription(s) claim to us within 36 months of the date you received the service or item.

When you are outside the service area and cannot get care from a network provider, our plan will cover emergency care, urgently needed services, or out-of-area dialysis. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you may be responsible for the full cost of the services you receive. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours, at 1-888-778-1478 (TTY only, call 711). We're available from 8am-8pm, local time, 7 days a week. From April 1st through September 30th, alternate technologies (for example, voicemail) will be used on the weekends and holidays.
- If you need assistance locating urgent care services, please call Member Services at the number listed on the back of this book, or visit cloverhealth.com/doctors to locate a network provider.

You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Your plan may cover worldwide emergency and urgent care services outside the United States under certain circumstances. Refer to Section 2.1 of Chapter 4 of your Evidence of Coverage for details.

If you have an emergency, we will talk with the doctors who are giving you the emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you get your follow-up care from out-of-network providers, you may pay a higher out-of-network cost-sharing.

Sección 1: Introducción

Este directorio proporciona una lista de los proveedores de la red de Clover Health. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (Evidence of Coverage, EOC).
Un Médico preferido de Clover, diferenciado por la certificación de PREFERIDO DE CLOVER, es un médico de atención primaria que ha sido reconocido por su dedicación y el uso de la herramienta Clover Assistant que ofrece tecnología y datos para una experiencia de atención médica personalizada para los miembros de Clover Health.

Puede elegir uno de los proveedores de la red incluidos en este directorio como su proveedor de atención primaria (Primary Care Provider, PCP). El término "PCP" se usará en todo este directorio. En general, usted debe recibir sus servicios de atención médica de su PCP.

Un proveedor de atención primaria (PCP) es el profesional a quien usted acude para satisfacer todas sus necesidades médicas básicas, como visitas de atención de prevención, por enfermedad o lesión. Aunque nuestro plan no exige que seleccione un PCP, le recomendamos encarecidamente que lo haga, ya que tener uno puede representar muchos beneficios. Por lo general, un PCP lo ayuda con los referidos a especialistas y proveedores de atención médica conductual. Un PCP también puede coordinar el acceso a servicios hospitalarios, si es necesario. Si se requiere autorización previa para un servicio, su PCP se comunicará con nosotros antes de que usted reciba los servicios a fin de determinar si tendrán cobertura.

Los "proveedores de la red" incluidos en este directorio aceptaron brindarle sus servicios de atención médica y de la visión. Puede acudir a cualquiera de los proveedores de la red incluidos en este directorio. Si ha tenido varias consultas con un proveedor de la red, no es obligatorio que continúe acudiendo al mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores que no forman parte de la red.

Tenga en cuenta que los proveedores fuera de la red/sin contrato no tienen la obligación de tratar a los miembros de Clover Health, salvo en caso de emergencia. Si desea saber si cubrimos un servicio fuera de la red, le recomendamos que usted o su proveedor soliciten una autorización previa antes de recibir el servicio. Llame a Servicios para los miembros al 1-888-778-1478. Los usuarios de TTY deben llamar al 711. Nuestro horario de atención es de 8 am a 8 pm (hora local), los 7 días de la semana. Desde el 1 de abril hasta el 30 de septiembre, se usarán tecnologías alternativas (por ejemplo, correo de voz) los fines de semana y los días feriados. O bien, consulte su Evidencia de cobertura para obtener más información, incluidos los costos compartidos que se aplican a los servicios fuera de la red. Excepto en caso de emergencia o urgencia, es posible que recibir atención de proveedores fuera de la red tenga un costo más alto.

Los proveedores sin contrato deben facturar directamente a Clover Health. Si un proveedor sin contrato le envía una factura a usted, no debe pagarla; en cambio, debe enviarla al plan para que la procese y determine su responsabilidad, si corresponde, como se describe a continuación.

Si recibe una factura de un proveedor sin contrato, envíenos su solicitud de pago con la factura y la documentación de cualquier pago que haya realizado. Es aconsejable hacer una copia de su factura y de los recibos para conservar en sus registros.

Para asegurarse de que nos esté proporcionando toda la información que necesitamos para tomar una decisión, complete nuestro formulario de reclamaciones para solicitar su pago. Puede descargar una copia del formulario en nuestro sitio web (https://www.cloverhealth.com/en/members/plan-documents) o llamar a Servicios para los miembros y solicitar un formulario.

Envíenos por correo su solicitud de pago de servicios médicos, además de cualquier factura o recibo a esta dirección:

Clover Health
Atención: Reclamaciones médicas

Cuando está fuera del área de servicio y no puede recibir atención de un proveedor de la red, el plan cubrirá los servicios de atención de emergencia, de urgencia y de diálisis fuera del área. Excepto en situaciones que requieran atención de emergencia, no podemos pagarle a un proveedor que no reúna los requisitos de elegibilidad para ser parte de Medicare. Si recibe atención de un proveedor que no es elegible para ser parte de Medicare, es posible que usted se tenga que hacer responsable del costo total de los servicios que reciba. Excepto en caso de emergencia o urgencia, es posible que recibir atención de proveedores fuera de la red tenga un costo más alto.

Si tiene una emergencia médica:

- Busque ayuda lo más rápido posible. Llame al 911 para pedir ayuda o acuda a la sala de emergencias o al hospital más cercano. Pida una ambulancia por teléfono si la necesita. No es necesario que primero obtenga la aprobación o un referido de su PCP.
- Asegúrese lo antes posible de que le hayan avisado al plan acerca de la emergencia. Debemos hacer el seguimiento de la atención de emergencia que reciba. Usted o alguna otra persona debe llamarnos para avisarnos sobre la atención de emergencia, por lo general, en un plazo de 48 horas, al 1-888-778-1478 (para TTY únicamente, llamar al 711). Nuestro horario de atención es de 8 am a 8 pm (hora local), los 7 días de la semana. Desde el 1 de abril hasta el 30 de septiembre, se usarán tecnologías alternativas (por ejemplo, correo de voz) los fines de semana y los días feriados.

- Si necesita ayuda para encontrar servicios de atención de urgencia, llame a Servicios para los miembros al número que aparece en el reverso de este libro, o visite cloverhealth.com/doctors para encontrar un proveedor de la red.

Puede obtener atención médica de emergencia cubierta siempre que la necesite, en cualquier lugar de los Estados Unidos y sus competencias. El plan cubre los servicios de ambulancia en los casos en los que ir a la sala de emergencias de alguna otra manera podría poner en peligro su salud. Es posible que su plan cubra servicios de emergencia y atención de urgencia fuera de Estados Unidos bajo ciertas circunstancias. Consulte la Sección 2.1 del Capítulo 4 de su Evidencia de Cobertura para obtener detalles.

Si se presenta una emergencia, hablaremos con los médicos que lo atiendan para colaborar en el manejo y el seguimiento de su atención. Los médicos que le proporcionan atención médica de emergencia indicarán en qué momento su estado de salud está estable y se puede dar por finalizada la emergencia médica.

Una vez que finaliza la emergencia, tiene derecho a recibir atención de seguimiento para garantizar que su estado de salud permanezca estable. Nuestro plan cubre la atención de seguimiento. Si recibe atención de seguimiento de proveedores fuera de la red, es posible que usted deba pagar un costo compartido más alto.
