## **Section 1 – Introduction**

This directory provides a list of Clover Health’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC) at [cloverhealth.com/eoc](https://cloverhealth.com/eoc).

A Clover Preferred Doctor, marked by CLOVER PREFERRED, is a Primary Care Physician who has been recognized for their dedication to using the Clover Assistant tool which provides technology and data for a personalized healthcare experience for Clover Health members.

You may choose one of our network providers who are listed in this directory to be your **Prietary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

A Primary Care Provider (PCP) is someone that you see for all of your basic medical needs such as preventative care, illness, and injury visits. While our plan doesn’t require you to select a PCP, we strongly encourage you to do so as there are many benefits to having one. A PCP will often assist you with referrals to specialists and behavioral health care providers. A PCP can also coordinate access to hospital services when necessary. When prior authorization for a service is needed, your PCP will contact us before you have services to determine if they will be covered.

The “network providers” listed in this directory have agreed to provide you with your healthcare services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

For HMO plan participants, you must use network providers except in emergency situations. If you obtain routine care from out-of-network providers, neither Medicare nor Clover Health will be responsible for the costs.

Out-of-network providers are under no obligation to treat Clover Health enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services Department at 1-888-778-1478 (TTY/TDD 711). We are open 8 am - 8pm local time, 7 days a week. From April 1<sup>st</sup> through September 30<sup>th</sup>, alternate technologies (for example, voicemail) will be used on the weekends and holidays, or see your Evidence of

Coverage for more information, including the cost sharing that applies to out-of-network services. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

Out-of-network providers should bill Clover Health directly. If an out-of-network provider submits a bill directly to you, you should not pay the bill, but should submit it to the plan for processing and determination of your liability, if any, as described below.

If you receive a bill from an out-of-network provider, send us your request for payment, along with your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, please fill out our claim form to make your request for payment. Either download a copy of the form from our website ([cloverhealth.com/dmr](http://cloverhealth.com/dmr)) or call Member Services and ask for the form.

Mail your request for payment for medical, dental, or vision services, together with any bills or receipts to us at this address:

Clover Health  
Attn: Medical Claims  
PO Box 2092  
Jersey City, NJ 07303

Fax: 1-888-240-7243  
Email: [claims@cloverhealth.com](mailto:claims@cloverhealth.com)

You must submit your claim to us within 12 months of the date you received the service or item.

Mail your request for reimbursement for the prescription(s), together with any bills or receipts to us at this address:

CVS Caremark  
PO Box 52066  
Phoenix, AZ 85072-2066

You must submit your prescription(s) claim to us within 36 months of the date you received the service or item.

When you are outside the service area and cannot get care from a network provider, our plan will cover emergency care, urgently needed services, or out-of-area dialysis. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you may be responsible for the full cost of the services you receive. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours, at 1-888-778-1478 (TTY/TDD 711). We're available from 8 am - 8 pm local time, 7 days a week. From April 1<sup>st</sup> through September 30<sup>th</sup>, alternate technologies (for example, voicemail) will be used on the weekends and holidays.
- If you need assistance locating urgent care services, please call Member Services at the number listed on the back of this book, or visit [cloverhealth.com/doctors](https://www.cloverhealth.com/doctors) to locate a network provider.

You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Your plan may cover worldwide emergency and urgent care services outside the United States under certain circumstances. Refer to Section 2.1 of Chapter 4 of your Evidence of Coverage for details.

If you have an emergency, we will talk with the doctors who are giving you the emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you get your follow-up care from out-of-network providers, you may pay a higher out-of-network cost-sharing.

## **Sección 1: Introducción**

Este directorio proporciona una lista de los proveedores de la red de Clover Health. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura (Evidence of Coverage, EOC) en [cloverhealth.com/eoc](http://cloverhealth.com/eoc).

Un Médico preferido de Clover, diferenciado por la certificación de PREFERIDO DE CLOVER, es un médico de atención primaria que ha sido reconocido por su dedicación y el uso de la herramienta Clover Assistant que ofrece tecnología y datos para una experiencia de atención médica personalizada para los miembros de Clover Health.

Puede elegir uno de los proveedores de la red incluidos en este directorio como su proveedor de atención primaria (**P**rimary **C**are **P**rovider, PCP). El término “PCP” se usará en todo este directorio. En general, usted debe recibir sus servicios de atención médica de parte de su PCP.

Un proveedor de atención primaria (PCP) es el profesional a quien usted acude para satisfacer todas sus necesidades médicas básicas, como visitas de atención de prevención, por enfermedad o lesión. Aunque nuestro plan no exige que seleccione un PCP, le recomendamos encarecidamente que lo haga, ya que podría haber muchos beneficios por tener uno. Por lo general, un PCP lo asiste en los referidos a especialistas y proveedores de atención médica conductual. Un PCP también puede coordinar el acceso a servicios hospitalarios, si es necesario. Si se requiere autorización previa para un servicio, su PCP se comunicará con nosotros antes de que usted reciba los servicios a fin de determinar si tendrán cobertura.

Los “proveedores de la red” que aparecen en este directorio aceptaron brindarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de la red incluidos en este directorio. Si ha tenido varias consultas con un proveedor de la red, no es obligatorio que continúe acudiendo al mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores que no forman parte de la red.

Para los participantes del plan HMO, debe acudir a proveedores de la red, salvo en situaciones de emergencia. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Clover Health serán responsables de los costos.

Los proveedores fuera de la red no tienen la obligación de tratar a los miembros de Clover Health, salvo en emergencias. Si desea saber si cubriremos un servicio fuera de la red, lo invitamos a usted o a su proveedor a que nos soliciten una determinación de la organización previa al servicio antes de recibir el servicio. Llame a nuestro

Departamento de Servicios para los Miembros al 1-888-778-1478 (TTY/TDD 711). Nuestro horario de atención es de 8 am a 8 pm (hora local), los 7 días de la semana. Desde el 1 de abril hasta el 30 de septiembre, se usarán tecnologías alternativas (por ejemplo, correo de voz) los fines de semana y los días feriados. O bien, consulte su Evidencia de cobertura para obtener más información, incluidos los costos compartidos que se aplican a los servicios fuera de la red. Excepto en caso de emergencia o urgencia, es posible que recibir atención de proveedores fuera de la red tenga un costo más alto.

Los proveedores fuera de la red deben facturar directamente a Clover Health. Si un proveedor fuera de la red le envía una factura directamente a usted, no debe pagarla; en cambio, debe enviarla al plan para que la procese y determine su responsabilidad, si corresponde, tal como se describe a continuación.

Si recibe una factura de un proveedor fuera de la red, envíenos su solicitud de pago junto con la factura y la documentación de cualquier pago que haya realizado. Es aconsejable hacer una copia de su factura y de los recibos para conservar en sus registros.

Para asegurarse de que nos esté proporcionando toda la información que necesitamos para tomar una decisión, complete nuestro formulario de reclamaciones para solicitar su pago. Descargue una copia del formulario en nuestro sitio web ([cloverhealth.com/dmr](http://cloverhealth.com/dmr)) o llame a Servicios para los Miembros y solicite el formulario.

Envíenos por correo su solicitud de pago de servicios médicos, dentales u oftalmológicos con cualquier factura o recibo a esta dirección:

Clover Health  
Atención: Reclamaciones médicas  
PO Box 2092  
Jersey City, NJ 07303  
  
Fax: 1-888-240-7243  
Correo electrónico: [claims@cloverhealth.com](mailto:claims@cloverhealth.com)

Debe presentarnos la reclamación dentro de los 12 meses a partir de la fecha en que recibió el servicio o el artículo.

Envíenos su solicitud de reintegro de los medicamentos con receta, además de cualquier factura o recibo a esta dirección:

CVS Caremark  
PO Box 52066  
Phoenix, AZ 85072-2066

Debe enviarnos su reclamación de medicamentos con receta dentro de los 36 meses a partir de la fecha en la que recibió el servicio o el artículo.

Cuando está fuera del área de servicio y no puede recibir atención de un proveedor de la red, el plan cubrirá los servicios de atención de emergencia, de urgencia y de diálisis fuera del área. Salvo en situaciones que requieran atención de emergencia, no podemos pagarle a un proveedor que no reúna los requisitos para participar en Medicare. Si recibe atención de un proveedor que no es elegible para ser parte de Medicare, es posible que usted se tenga que hacer responsable del costo total de los servicios que reciba. Excepto en caso de emergencia o urgencia, es posible que recibir atención de proveedores fuera de la red tenga un costo más alto.

Si tiene una emergencia médica:

- Busque ayuda lo más rápido posible. Llame al 911 para pedir ayuda o acuda a la sala de emergencias u hospital más cercano. Pida una ambulancia por teléfono si la necesita. No es necesario que primero obtenga la aprobación o un referido del PCP.
- Asegúrese lo antes posible de que le hayan avisado al plan acerca de la emergencia. Debemos hacer el seguimiento de la atención de emergencia que reciba. Usted u otra persona deben llamarnos para avisarnos sobre la atención de emergencia, por lo general, en un plazo de 48 horas, al 1-888-778-1478 (TTY/TDD 711). Nuestro horario de atención es de 8 am a 8 pm (hora local), los 7 días de la semana. Desde el 1 de abril hasta el 30 de septiembre, se usarán tecnologías alternativas (por ejemplo, correo de voz) los fines de semana y los días feriados.
- Si necesita ayuda para encontrar servicios de atención de urgencia, llame a Servicios para los Miembros al número que aparece en el reverso de este libro o visite [cloverhealth.com/doctors](https://www.cloverhealth.com/doctors) para encontrar un proveedor de la red.

Puede obtener atención médica de emergencia cubierta siempre que la necesite, en cualquier lugar de los Estados Unidos y sus territorios. El plan cubre los servicios de ambulancia en los casos en los que ir a la sala de emergencias de alguna otra manera podría poner en peligro su salud. Es posible que su plan cubra servicios de emergencia y

atención de urgencia fuera de Estados Unidos bajo ciertas circunstancias. Consulte la Sección 2.1 del Capítulo 4 de su Evidencia de Cobertura para obtener detalles.

Si se presenta una emergencia, hablaremos con los médicos que lo atiendan para colaborar en el control y seguimiento de su atención. Los médicos que le proporcionan atención de emergencia indicarán en qué momento su afección está estable y finaliza la emergencia médica.

Una vez que finaliza la emergencia, usted tiene derecho a recibir atención de seguimiento para garantizar que siga estando estable. Nuestro plan cubrirá la atención de seguimiento. Si recibe atención de seguimiento de proveedores fuera de la red, es posible que usted deba pagar un costo compartido más alto.
