#### What do we cover?

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits. Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

## SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.cloverhealth.com](http://www.cloverhealth.com).
- Or, call us and we will send you a copy of the formulary.

For coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

### **How will I determine my drug costs?**

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible Stage, Initial Coverage, Coverage Gap and Catastrophic Coverage.
