In The Industry

Texas SEP: A renewed state of emergency was declared for Texas on 8/5/22, allowing for an SEP effective through 10/31/22. This SEP exists for individuals in all of our Texas service areas, with exception of El Paso, who were effected by a disaster or other emergency declared by a federal, state or local government entity who were unable to, and did not, make an election during another valid election period.

Mississippi SEP: A federal disaster has been declared for Hinds county in Mississippi on 8/30/22, allowing for an SEP effective through 10/31/22. This SEP exists for individuals in our Hinds county service areas who were effected by a disaster or other emergency declared by a federal, state or local government entity who were unable to, and did not, make an election during another valid election period.

Georgia SEP: A federal disaster has been declared for Georgia on 9/27/22, allowing for an SEP effective through 11/30/22. This SEP exists for individuals in our service areas who were effected by a disaster or other emergency declared by a federal, state or local government entity who were unable to, and did not, make an election during another valid election period.

South Carolina SEP: A federal disaster has been declared for South Carolina on 9/29/22, allowing for an SEP effective through 11/30/22. This SEP exists for individuals in our service areas who were effected by a disaster or other emergency declared by a federal, state or local government entity who were unable to, and did not, make an election during another valid election period.
