Section 1 – Introduction

This directory provides a list of Clover Health’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You may choose one of our network providers who are listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you should get your health care services from your PCP.

A Primary Care Provider (PCP) is someone that you see for all of your basic medical needs such as preventive care, illness, and injury visits. While our plan doesn’t require you to select a PCP, we strongly encourage you to do so as there are many benefits to having one. A PCP will often assist you with referrals to specialists and behavioral health care providers. A PCP can also coordinate access to hospital services when necessary. When prior authorization for a service is needed, your PCP will contact us before you have services to determine if they will be covered.

We have network providers for all services covered under Original Medicare. You can still receive covered services from non-network providers who do not have a signed contract with our plan, as long as those providers agree to accept our plan’s terms and conditions of payment. See Section 1.2 of Chapter 3 in your Evidence of Coverage and on our website at: <https://www.cloverhealth.com/en/members/plan-documents/out-network-coverage-rules>.

The “network providers” listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

For HMO plan participants, you must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Clover Health will be responsible for the costs.

Out-of-network/non-contracted providers are under no obligation to treat Clover Health members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our member services number at 888-657-1207. TTY users should call 711. We are open 8 a.m. – 8.p.m local time, 7 days a week. From April 1st through September 30th, alternate technologies (For example, voicemail) will be used on the weekends and holidays, or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

Non-contracted providers should bill Clover Health directly. If a non-contracted provider submits a bill directly to you, you should not pay the bill, but should submit it to the plan for processing and determination of your liability, if any, as described below.

If you receive a bill from a non-contracted provider, send us your request for payment, along with your bill and documentation of any payment you have made. It’s a good idea to make a

copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, please fill out our claim form to make your request for payment. Either download a copy of the form from our website (<https://www.cloverhealth.com/en/members/plan-documents>) or call Member Services and ask for the form.

Mail your request for payment for medical services, together with any bills or receipts to us at this address:

When you are outside the service area and cannot get care from a network provider, our plan will cover emergency care, urgently needed services, or out-of-area dialysis. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you may be responsible for the full cost of the services you receive. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or

hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.

- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours, at 1-888-657-1207 (TTY only, call 711). We're available from 8 am–8 pm, local time, 7 days a week. From April 1 through September 30, alternate technologies (for example, voicemail) will be used on the weekends and holidays.
- If you need assistance locating urgent care services, please call Member Services at the number listed on the back of this book, or visit cloverhealth.com/doctors to locate a network provider.

You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Our plan does not cover urgently needed services or any other care you receive outside of the United States or its territories.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you get your follow-up care from out-of-network providers, you may pay a higher out-of-network cost-sharing.

Sección 1 – Introducción

Este directorio ofrece una lista de los proveedores de la red de Clover Health. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura.

Usted puede elegir a uno de los proveedores de nuestra red incluidos en este directorio para que sea su proveedor de atención primaria (**P**rimary **C**are **P**rovider, PCP). El término “PCP” se usará en todo este directorio. En general, usted debe recibir sus servicios de atención médica de su PCP.

Un proveedor de atención primaria (PCP) es a quien acude para satisfacer todas sus necesidades médicas básicas, como visitas de atención preventiva, por enfermedad o lesión. Nuestro plan no exige que seleccione un PCP, le recomendamos especialmente que lo haga porque tiene muchos beneficios. Con frecuencia, un PCP lo ayudará con sus referidos a especialistas y proveedores de salud conductual. Un PCP también puede coordinar el acceso a servicios hospitalarios, si es necesario. Si se requiere autorización previa para un servicio, su PCP se comunicará con nosotros antes de que usted reciba los servicios a fin de determinar si tendrán cobertura.

Contamos con proveedores de la red para todos los servicios cubiertos por Medicare Original. También puede recibir servicios cubiertos de proveedores que no forman parte de la red y no tienen un contrato firmado con nuestro plan, siempre que esos proveedores acepten los términos y las condiciones de pago de nuestro plan. Consulte la Sección 1.2 del Capítulo 3 de su Evidencia de cobertura o visite nuestro sitio web en <https://www.cloverhealth.com/en/members/plan-documents/out-network-coverage-rules>.

Los “proveedores de la red” incluidos en este directorio han aceptado brindarle sus servicios de atención médica y atención de la visión. Usted puede acudir a cualquiera de los proveedores de la red incluidos en este directorio. Si usted ha visitado a un proveedor de la red, no es obligatorio que continúe acudiendo al mismo proveedor. En algunos casos, es posible que reciba servicios cubiertos de proveedores que no forman parte de la red.

Plan HMO: Debe utilizar los proveedores de la red, salvo en situaciones de emergencia o atención de urgencia. Si usted recibe atención de rutina de parte de proveedores fuera de la red, ni Medicare ni Clover Health se harán responsables de los costos.

Tenga en cuenta que los proveedores fuera de la red/sin contrato no tienen la obligación de tratar a los miembros de Clover Health, salvo en caso de emergencia. Si desea saber si cubriremos un servicio fuera de la red, le recomendamos que usted o su proveedor solicite una determinación de la organización previa al servicio antes de recibir el servicio. Llame a Servicios para los miembros o consulte su Evidencia de cobertura para obtener más información, incluidos los costos compartidos que se aplican a los servicios fuera de la red. Salvo en caso de emergencia o

urgencia, es posible que recibir atención de proveedores fuera de la red tenga un costo más alto.

Los proveedores sin contrato le facturarán directamente a Clover Health. Si un proveedor sin contrato le envía una factura directamente a usted, no debe pagarla; en cambio, debe enviarla al plan para que la procese y determine su responsabilidad, si corresponde, como se describe a continuación.

Si recibe una factura de un proveedor sin contrato, envíenos su solicitud de pago junto con la factura y la documentación de cualquier pago que haya realizado. Es buena idea hacer una copia de su factura y de los recibos para sus registros.

Para asegurarse de que nos esté proporcionando toda la información que necesitamos para tomar una decisión, complete nuestro formulario de reclamos para solicitar su pago. Descargue una copia del formulario de nuestro sitio web (<https://www.cloverhealth.com/en/members/plan-documents>) o llame a Servicios para los miembros para solicitarla.

Envíenos por correo su solicitud de pago de servicios médicos junto con cualquier factura o recibo a esta dirección:

Clover Health
Attention: Medical Claims
PO Box 471
Jersey City, NJ 07303

Debe enviar su reclamo dentro de los 12 meses a partir de la fecha en que recibió el servicio o artículo.

Envíenos por correo su solicitud de pago de anteojos o examen de la vista de rutina fuera de la red junto con una copia de su tarjeta de identificación de miembro de Clover y cualquier factura o recibo a esta dirección:

EyeQuest
PO Box 527
Thiensville, WI 53092

Recibirá un reembolso en un plazo de 7 a 10 días después de que EyeQuest haya recibido sus recibos. ¿Alguna pregunta? Llame a EyeQuest al 1-888-696-9551.

Envíenos por correo su solicitud de pago de los medicamentos con receta junto con cualquier factura o recibo a esta dirección:

CVS Caremark
PO Box 52066
Phoenix, AZ 85072-2066

Debe enviarnos su reclamo de medicamentos con receta dentro de los 36 meses a partir de la fecha en que recibió el servicio o artículo.

Cuando está fuera del área de servicio y no puede recibir atención de un proveedor de la red, el plan cubrirá los servicios de atención de emergencia, de urgencia y de diálisis fuera del área. Excepto por la atención de emergencia, no podemos pagarle a un proveedor que no es elegible para participar en Medicare. Si recibe atención de un proveedor que no es elegible para participar en Medicare, es posible que usted sea responsable del costo total de los servicios que reciba. Salvo en caso de emergencia o urgencia, es posible que recibir atención de proveedores fuera de la red tenga un costo más alto.

Si tiene una emergencia médica:

- Busque ayuda lo más rápido posible. Llame al 911 para pedir ayuda o acuda a la sala de emergencias u hospital más cercano. Si la necesita, llame para pedir una ambulancia. No es necesario que primero obtenga la aprobación o un referido de su PCP.
- Asegúrese lo antes posible de que le hayan avisado al plan acerca de la emergencia. Necesitamos hacer el seguimiento de la atención de emergencia que reciba. Usted o alguna otra persona debe llamarnos para avisarnos sobre la atención de emergencia, por lo general, en un plazo de 48 horas, al 1-888-657-1207 (para TTY únicamente, llamar al 711). Nuestro horario de atención es de 8 a. m. a 8 p. m., hora local, los 7 días de la semana. Desde el 1 de abril hasta el 30 de septiembre, se usarán tecnologías alternativas (por ejemplo, correo de voz) los fines de semana y los días feriados.
- Si necesita ayuda para saber dónde acudir en caso de que necesite servicios de atención de urgencia, llame a Servicios para los miembros al número que aparece en el reverso de este libro, o visite cloverhealth.com/doctors para encontrar un proveedor de la red.

Usted puede obtener atención médica de emergencia cubierta cuando lo necesite, en cualquier lugar de los Estados Unidos o sus territorios. El plan cubre los servicios de ambulancia en los casos en los que ir a la sala de emergencias de alguna otra manera podría poner en peligro su salud. Nuestro plan no cubre servicios de urgencia ni ningún otro servicio si los recibe fuera de los Estados Unidos o sus territorios.

Si se presenta una emergencia, hablaremos con los médicos que le están brindando atención de emergencia para colaborar en el manejo y el seguimiento de su atención. Los médicos que le brindan atención de emergencia decidirán en qué momento se estabiliza la condición y finaliza la emergencia médica.

Una vez que finaliza la emergencia, usted tiene derecho a recibir atención de seguimiento para garantizar que su condición siga estable. Nuestro plan cubrirá la atención de seguimiento. Si recibe atención de seguimiento de proveedores fuera de la red, es posible que usted pague un costo compartido más alto.
